Faculty of Languages
Copy Rights & Intellectual Property Guidelines

MSA University respects Intellectual Property and adheres to copyright laws of Egypt, as asserted in The Ethical Code and Intellectual Property Code of MSA.

The Faculty of Languages at MSA adhere to the same rules and respects the copyrights and intellectual property of any creative work or software material, and asserts the following:

- To adhere to Law 82, year 2002 of copyright protection.
- Not to allow any copying of copyrighted material, except within a permitted percentage.
- To acknowledge use of sources and copyrighted material.
- Not to use copyrighted software without license.
